From the meeting of 11/2/11

Officers: President-Collin Buntrock, Vice President-Collin Scherbert,
Secretary-Danielle Schumerth, Treasurer-Kelsey Egelhoff

- On behalf of me and my fellow officers, the Forestry Club would like to extend our sincerest thanks to Dr. Glen Stanosz for his lecture on hazard trees during the meeting. It was very interesting and valuable knowledge and we appreciate the time he took from his evening to present to us. He also provided the food for the meeting, courtesy of Eugene Van Arsdel, a retired UW-Professor in Plant Pathology.

Introductions:

- ***OUR NEXT MEETING WILL BE HELD ON THURSDAY, DECEMBER 1ST, TIME AND PLACE TBA. We will be unloading Christmas trees for our sale immediately following the meeting, so please stay and help out.***

Overview of Club Activities for the 2011-2012 Year:

- **DECEMBER 2nd, 3rd, & 4th – CHRISTMAS TREE SALE! SAVE DATE NOW!!**

**** The sign-up sheet is now on the Forestry Club Board (on the wall next to room 104). PLEASE SIGN UP FOR TIMES TO HELP! ****

**** We also need help unloading trees on Thursday, Dec. 1st, so please sign up for this night too, if you can make it. It will most likely be in the evening ****

This is the sole **most important event for all forestry club members to attend!** This sale is how forestry club makes its money and thus without it, there would be no club. You meet a lot of nice people and help them to pick out their Christmas tree and get in the Christmas spirit! It's a lot of fun and very rewarding!

Please mark your calendars and plan on helping out at the sale.

- The club will be offering a S-130/S-190 Fire Class during the Spring 2012 Semester. Here's what we know so far:
 - will be held either the end of February or the 1st week in March

- price pending → the club reimburses you half the price (for reference, the price last year was \$190)

➤ Possible bonfire @ Picnic Point with the Wildlife Society. Details TBD.

**Hopefully we'll see everyone at the next meeting:
Thursday, December 1st, time and location TBA!!**

Till Next Time:
