2014 Responding to Horticulture Inquiries-Eau Claire

Members of the UW-Extension Horticulture Team will be hosting the annual professional development “Responding to Horticulture Inquiries” on May 28 in cooperation with Eau Claire County UW-Extension. The program objectives are to:

Acquaint UW-Extension agents, educators, office staff and Master Gardener Volunteers with information on UW-Extension diagnostic services, written and web-based horticulture resources, and UW-Extension personnel who can assist in answering horticulture-related questions.

See below for the program schedule and information. Please contact Brian Hudelson (608-262-2863 or bdh@plantpath.wisc.edu) by May 21, 2014 to reserve a spot, or if you have questions.
